Lake Superior Reserve to develop shoreline planting guide

Plantings along Barkers Island Beach (Photo credit: Karina Heim)

A team led by Karina Heim, Coastal Training Program Coordinator with the Lake Superior Reserve, was recently awarded \$73,666 for a project titled, *Greener Shores: Bringing Plant-Scale Knowledge to Shoreline Habitat Practitioners in the Lake Superior Basin*. The team will create a regional shoreline planting guidebook for coastal & estuarine Lake Superior environments. Contributing partners include the Great Lakes Indian Fish & Wildlife Commission & the Lake Superior Research Institute at UW-Superior. [NERRS Science Collaborative press release](#)

FEMA Seeks Feedback on Community Rating System
